Commissioner for Patents

The Information Disclosure Statement filed by the Applicant on 2/17/2004 is not of proper form and has not been considered. The Statement required under 35 USC 1.97(e)(2) has not been provided. Additionally, a copy of only one of the approximately 50 references cited on the IDS has been provided by the applicant.

The previous Office Action in the, mailed 2-5-04, case mistakenly required a new, corrected set of drawing to be submitted. A set of corrected drawings had already been received as of the time of the mailing of the previous Office Action and no new set of drawings is required.
